ENDORSERMENT AND STATEMENT BY THE BOARD OF DREEFORS AND THE MANAGING DIRECTOR

Operations of the Fund

Birta Pension Fund operates pursuant to its Articles of Association and Act No. 129/1997 on Mandatory Pension Savings and the Activities of Pension Funds. It also operates based on agreements between unions and employees of 19 May 1969 with later revisions. The purpose of Birta Pension Fund is to ensure that pension benefits are available to its members, their surviving spouses and children in accordance with the Fund's Articles of Association as well as the Act on Mandatory Pension Savings and the Activities of Pension Funds. The Fund's Financial Statements are to be viewed with its Annual Report. The Board of Directors refers to the Fund's website for additional information regarding the Financial Statements.

Number of fund members, employers and contributions

The Fund is divided into three main divisions, Mutual Pension Division, Private Pension Division and Specified Personal Pension Division. At year-end, 96,412 individuals had benefits in the Mutual Pension Division. In 2018, 18,806 individuals paid a contribution into the Mutual Pension Division and 5,531 employers. Active fund members, i.e. fund members who pay a regular contribution to the Fund each month, were 16,284. In 2018, total contributions paid to the Mutual Pension Division amounted to ISK 16,339 million. At year-end 2018, 34,329 individuals had benefits in the Private Pension Division. Active fund members in the Private Pension Division in 2018 were 2,331. In 2018, contributions paid to the Private Pension Division, before transfers of rights and repayments, amounted to ISK 839 million. Active fund members in the Specified Personal Pension Division. Active fund members in the Specified Personal Pension Division, before transfers of rights and repayments, amounted to ISK 830 million, an increase of 3% from the previous year. At year-end 2018, 1,565 individuals had benefits in the Specified Personal Pension Division. Active fund members in the Specified Personal Pension Division, before transfers of rights and repayments, amounted to ISK 830 million, and to the Specified Personal Pension Division. Active fund members in the Specified Personal Pension Division, before transfers of rights and repayments, amounted to ISK 340 millions.

Number of pensioners and pension payments

In 2018, 13,789 pensioners on average received pension payments from the Mutual Pension Division totalling ISK 10,492 million. Number of pensioners increased by 6.5%. The Fund's legally required contribution to Rehabilitation Fund amounted to ISK 112 million. Pension payments from the Private Pension Division totalled ISK 557 million and 2.3 million in the Specified Personal Pension Division. The Fund's pension burden, i.e. pension payments as a percentage of contributions, was 64.3%, compared to 65.5% in the previous year.

Investment income and operating costs

Net income from investments amounted to ISK 18,432 million as compared to ISK 23,434 million in the previous year. The Fund's operating costs, i.e. office and administration costs, amounted to ISK 716 million as compared to ISK 763 million in the previous year. Operating costs as percentage of average assets for the year was 0.19%, decreasing from 0.22% in 2017. The number of full-time employees was 28.4 during the year and salary payments totalled ISK 437 million, including salary-related costs amounting to ISK 87.1 million.

Net assets for pension payments

Net assets of the Mutual Pension Division for pension payments totalled ISK 357,229 million at year-end as compared to ISK 334,321 million in the preceding year. Net assets of the Private Pension Division totalled ISK 14,706 million at year-end as compared to ISK 13,721 million in the preceding year. Net assets of the Specified Personal Pension Division totalled ISK 418 million at year-end as compared to 80 million in 2017. In aggregate, the assets of the Mutual Pension Division, the Private Pension Division and the Specified Personal Pension Division therefore totalled ISK 372,353 million, an increase frin ISK 348,122 million at year-end 2017.

Return of assets

Nominal return on the Fund's assets came to 5.04% in 2018, equivalent to 1.73% rate of return in real terms as compared to a real return of 5.2 % in 2017. The average real return achieved by the Mutual Pension Division over the last 5 years is 4.09% and 3.3% over the last 10 years.

ENDORSEMENT AND STATEMENT BY THE BOARD OF DIRECTORS AND THE MANAGING DIRECTOR

Actuarial assessment

An actuarial assessment for the Mutual Pension Division performed as at year-end 2018 shows that the Fund's total liabilities exceeded total assets by 3.86% but exceeded total assets by 3.44% at year-end 2017. The premise of the assessment is that the Fund's return on assets over the coming decades will be 3.5% above the increase in Consumer Price Index. Further details on the actuarial position can be found in the Fund's Statement of Actuarial Position and in note 16 in the original Financial Statements.

Events after the end of the fiscal year

No events that are material for the financial position of the Fund occurred from the end of the fiscal year until the date of signing of these annual financial statements.

Corporate governance and risk management

The Board of Directors of the Fund has adopted rules of operations which aim to be in accordance with the "Guidelines on Corporate Governance". The guidelines are accessible on the website of the Iceland Chamber of Commerce at www.vi.is. The Fund follows the Guidelines in all major respects and has set up special selection committees as set out in the Articles of Association. However, the Fund's corporate governance policy does not include an analysis of environmental and social factors but refers to note 20 in the original Financial Statements and the Annual Report. The Board of Directors reports main findings of its annual performance assessments to the Fund's Nomination Committee. Information about the Board of Directors and corporate governance can be found in a special statement by the Board of Directors which is attached to the Financial Statements.

The Fund has established a risk management policy which has been approved by the Board of Directors and is accessible on the Fund's website. Its aim is to reduce the likelihood of long-term reduction in the Fund's members rights. The policy is based on a definition of risk management which involves identifying, monitoring and limiting risks in the Fund's operations. Risks in the Fund's activities are defined, in accordance with the definition set out in the Guidelines of the Financial Supervisory Authority no. 590/2017, as every event which materially increases the likelihood of financial loss relating to an event and falls under one or more risk components defined by the Fund. See further details in note 19 in the original Financial Statements.

Dissemination of information

Birta Pension Fund publishes advertisements in newspapers in a timely manner describing its activities and results in the year 2018. Every six months, the Fund sends members a statement of received contributions together with an estimation of vested pension benefits and Fund members can calculate estimated pension payments on the Fund's website. Last year's Annual General Meeting included the presentation of the report of the Boards of Directors as well as the Funds' annual financial statements, investment policies and actuarial position. General information about Birta Pension Fund and its activities are available on the Fund's website.

Non-financial information

The Board of Directors has adopted the policy of recognizing the importance of social and environmental issues in the Fund's operations. The Fund's benchmarks regarding non-financial information can be found in note 20 in the original Financial Statements. When discussing investment opportunities, good corporate governance in the companies in which the Fund invests is one of the deciding factors.

Impact of external uncertainties

Birta Pension Fund is a long-term investor and endeavours to mitigate or reduce risk by distributing assets between e.g. asset classes or countries. The aim is to take risks which yield returns according to level of risk taken. The Fund operates in an environment with fixed level of uncertainty that comes with accumulating assets to meet the Fund's liabilities. The impact of possible changes in assumptions regarding sensitivity analysis can be found in note 19 in the original Financial Statements and in the Annual Report.

106 | FINANCIAL STATEMENTS 2018

RORSEMENT AND STATEMENT BY THE Bea TORS AND THE MANAGING

Expected development and prospects of the Fund

Birta Pension Fund will continue to aim at increasing the value of its assets in accordance with its investment policy which can be found on the Fund's website. The increase in required contributions has decreased the pension burden somewhat and this trend is expected to continue. The removal of capital controls increases the Fund's ability to mitigate risk through investments in foreign markets. The ratio of foreign assets at year-end is 28.3% according to Key Indicators in the Financial Statements.

The Board of Directors and Managing Director of the Fund hereby confirm these annual Financial Statements with their signatures.

Reykjavík, 28 March 2019.

To the Board of Directors and members of Birta pension fund

Opinion

We have audited the financial statements of Birta Pension Fund, which comprise the directors report, balance sheet as at December 31, 2018, the statement of changes in net assets for pension payments, statement of cash flows and statement of actuarial position for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying Financial Statements give a true and fair view of the financial position of Birta Pension Fund as at December 31, 2018, and of its financial performance, cash flows and actuarial position for the year then ended in accordance with Icelandic law on annual accounts and regulation on the financial statements of pension funds and that the directors report includes applicable information in accorandce with Icelandic law on annual accounts and regulation on the financial statements of pension funds if not presented elsewhere in the Financial Statements.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the ethical requirements that are relevant to our audit of the Financial Statements in Iceland, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the Financial Statements in accordance with the Icelandic law on annual accounts and regulation on the financial statements of pension funds, and for such internal control as management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

INPOEPENDEENT AUDITOR'S REPORT

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Reykjavík, 28 March 2019.
